Together as one

2021 Lent Appeal

Your gift will support those in need during this pandemic

To find out more, please visit: [abmission.org/Lent21](http://abmission.org/Lent21)

ANGLICAN BOARD OF MISSION  
Working for Love, Hope & Justice

The banner features a background of a sunset over water. On the left, a pair of hands holds a glowing globe of the Earth. The text 'Together as one' is written in a white cursive font over the hands. The '2021 Lent Appeal' title is in a large, white, handwritten-style font. Below it, the text 'Your gift will support those in need during this pandemic' is in a smaller, white, sans-serif font. At the bottom, the website 'abmission.org/Lent21' is provided. The Anglican Board of Mission logo is positioned in the upper right of the banner.

## LENT RESOURCES

**'God Was On Both Sides Of The Beach'**, an exploration of the 150<sup>th</sup> anniversary of the 'Coming of the Light' celebration.

On the 1<sup>st</sup> of July 1871, the London Missionary Society boats arrived in the Torres Strait and, in an amazing act of reciprocal kindness and courage, were welcomed by the local people. 150 years on, the Gospel has taken root in the Torres Strait and a powerful local church exists, largely unknown to the rest of the Anglican community.

Presented online by ABM Education Missioner, Steve Daughtry, the studies will be available to interact with via Facebook, YouTube and Vimeo. Listen, learn – then pause the presentation to discuss the questions and share what you've discovered.

The voices we will be hearing will be those of (among others) Queensland Anglicans, Aunty Dr Rose Elu, (who has been recently awarded Queensland Senior Australian of the Year 2021) and the Rev'd Canon Victor Joseph. Aunty Rose is a Senior TI Elder, a linguistics scholar, a member of General Synod Standing Committee and a member of NATSIAC.

Rev'd Victor is an Anglican priest from Moa Island in the Torres Strait. He is Principal of Wontulp-Bi-Buya College in Cairns, and a member of the ABM Board.

Spend time 'sitting' with Aunty Rose and Victor as they help us understand the history, the present and the future of the Indigenous church in a unique way.

The studies will be available online <https://www.abmission.org/resources.php?action=list-items&catId=28>

“Sounds of Silence”

....that our bell tower was struck by lightning in the storm on February 9<sup>th</sup>

### The Angelus Bell- A Call to Prayer

We usually hear our bell ring at 8am (traditionally 6am), noon and 6pm.

It consists of 18 peals in sets of six, with a brief pause between each set, giving time for people to say the Angelus Prayer.

Our bell also rings 10 minutes before our Sunday services

## The Bronze Bell (750kg)

The bell was originally a pull bell cast in the Mears and Stainbank foundry in England in 1901. With its fittings, it weighs more than 900kg.

In 2008 it was extensively restored by Hervery Bagot (Bagot Bells Adelaide). At this time an electronically controlled mechanical bell ringing mechanism was installed.

Magnetic Steelworks constructed a new mounting frame and swing mechanism superior to the previous one to resist corrosion from the sea air and to put less strain on the brickwork.

Original grand design

Original bell tower at rear (1913)

## The Bell Tower

The Bell Tower is about 25 meters high, topped by a spiring cross that adds another 5.5 meters to its height.

The conservation of the Bell Tower was undertaken in 2008 by Base iGi, a local engineering consultancy.

Mr Bill Jordan diagnosed the reasons for the crumbling of some of the existing bricks and why there was white residue in some parts of the building. Salt laden air had caused corrosion on the metal bell casing, causing it to expand and crack the brickwork

Similar bricks were sourced from Red Brick (Mudgee), Austral Bricks (Nowra) and Fugen Bricklaying (Mittagong).

Prior to laying the bricks, the corroded steelwork and damaged bricks had to be removed.

When the brickwork was removed from the top of the bell tower, it exposed the metal head of a pick that was wedged under the base of the cross. It was presumed that the axe was used to lever the cross into a vertical position. The new bricks were again laid over the axe head.

St James (Slim Jim) also had a repaint

## THE ANGELUS PRAYER

V. The Angel of the Lord declared unto Mary.

R. And she conceived of the Holy Spirit.

*Hail Mary, full of grace,*

*The Lord is with Thee;*

*Blessed art thou among women,*

*And blessed is the fruit of thy womb, Jesus.*

*Holy Mary, Mother of God,*

*Pray for us sinners,*

*Now and at the hour of our death. Amen*

V. Behold the handmaid of the Lord.

R. Be it done unto me according to thy word.

*Hail Mary, etc.*

V. And the Word was made Flesh.

R. And dwelt among us.

*Hail Mary, etc.*

V. Pray for us, O holy Mother of God.

R. That we may be made worthy of the promises of Christ.

## LET US PRAY

Pour forth, we beseech Thee, O Lord, Thy grace into our hearts, that we to whom the Incarnation of Christ Thy Son was made known by the message of an angel, may by His Passion and Cross be brought to the glory of His Resurrection. Through the same Christ Our Lord. Amen.

From left in front (Bridal party): Bill Peters (bride's brother), Elfra Taylor, John Jewell, Dorelle Jewell (nee Peters), Margaret Hastings, Jim Jewell (groom's brother)

Bill Peters (bride's father) is seen in the back between Bill Peters (bride's brother) and Elfra Taylor.

The Cathedral Church of  
All Souls and St Bartholomew

*presents*

# Quetta Memorial Service

141 years since the Royal Mail Service (RMS) Quetta Disaster

SUNDAY  
28 Feb  
2021 10am

Followed by supper at 6:30pm at the Anglican Parish Hall

*All welcome*

- On February 28th, Bishop Keith attended a memorial service at All Souls and St Bartholomew's Cathedral Church, Thursday Island to remember the 134 lives lost in the shipwreck of the RMS Quetta
- On the night of February 28, 1890, the British mail and passenger ship SS Quetta hit an uncharted rock in the Adolphus Channel off Albany Island and sank with the loss of 133 lives. The ship was carrying 300 passengers to Britain, many of them scions of colonial Queensland society. Most of the Europeans on board were drowned. It was among Australia's worst maritime disasters. The idea of a memorial church was born soon after.
- All Souls and St Bartholomew's Cathedral Church, became the Quetta Cathedral of the Anglican Diocese of Carpentaria in 1900, until 1996. It is technically the smallest cathedral in the world.
- By 1901 the cathedral had become a place of pilgrimage containing fascinating relics from the Quetta, stained glass windows honouring the deceased passengers, and rare Indigenous artworks depicting Biblical scenes. It was and is a quintessential Torres Strait landmark, acquiring a mystique associated with its dramatic origins, longevity and tropical location.
- The Quetta Memorial Precinct is a heritage-listed Anglican church precinct on Thursday Island, The precinct comprises the All Souls and St Bartholomew's Cathedral Church, the Bishop's House, and the Church Hall.

You may have noticed the crucifix that has been mounted on the wall in the Cathedral Office. Thanks to Darrell for the restoration and Allan for mounting on the wall

This was carved by the artist Stan Moses, for St Mark's Residential College at JCU and given to the Cathedral when St Mark's closed down

- [Timber & Metal | Art of Stan Moses \(jimdosite.com\)](http://jimdosite.com)

- In 1953, Bishop Ian Shevill launched an appeal to raise £50,000 to complete St. James' Cathedral. All donors of £100 received an Enamel Car Badge. Donors of £6/10/- received a leather-bound Prayer Book with the Diocesan Arms and for 25/- you got an Enamel Coat Badge.
- If they are still around, I would love a photo of any of these for the Cathedral records. As a new FX Holden cost £733 at this time, there may not have been many Car Badges made.

# THE ROSTER

Please check the roster.

If you are unable to complete your duty,  
please make a swap, or email
