## CANDLELIGHT CONCERTS - in Townsville

Candlelight is a series of concerts that are all performed by classically-trained musicians. Solo pianists, string quartets and other musical ensembles take to the stage to envelop and enchant audiences with a rich tapestry of sound all while hundreds—sometimes thousands—of LED candles flicker and twinkle and cast light onto the walls. It's almost as if the flameless light magically dances to the notes being played.

St. James' Cathedral will open its doors for the first set of Candlelight concerts in Townsville, which will be staged in September.

01 Sep. 6:30pm - Vivaldi's Quattro Stagioni (Four Seasons)

Pay tribute to the brilliant, eternal and most well-known composition of Vivaldi surrounded by a sea of candles.

01 Sep 8:30pm - Best of Hans Zimmer

The Oscar-winning, German film score composer has certainly left his mark on both music and film as composer for such films as The Lion King, Pirates of the Caribbean, The Dark Knight, Dune and Interstellar. Blending traditional orchestral arrangements with electronic music, the award-winning composer creates powerful scores that are not easily forgotten.

02 Sep 6:30pm - Tribute to Coldplay

Whether you turn to Coldplay for easy listening or are moved by their soulful lyrics and piano-driven melodies, this Candlelight concert is going back to the start by taking audiences on a captivating musical journey through some of the highlights from the group's impressive discography.

## *Alfred Herb Hill*

Please give thanks for the life of Alfred Herb Hill (known as Herb) who died in Brisbane on 23/7/2023. Herb and wife Eva have been long time members of the St James Cathedral Parish. Due to poor health and advanced aged they recently moved to Brisbane to be closer to family.

The funeral will be held at the Centenary Memorial Gardens cemetery and crematorium on Friday 4 August, at 3:30pm. It will be live streamed. Details to follow

# GARDEN SEAT

Given in memory of HERBERT WILLIAM CURTIS 1866–1909 by Herb (Grandson) and Eva Hill.

Herbert was curate at the Cathedral 1893-97, being ordained priest in 1894.

For a short time in 1897 he was the incumbent at Herberton, then he went as rector to St. Margaret's Croydon as Rector of 1898-1901.

Herbert was born in Warminster, England, he was a keen athlete and a prominent football player obtaining some note as an international player. He received training for the ministry at St. Boniface's Theological College, Warminster in 1888

1890 -arrived in Australia

1891 -ordained Deacon in the Diocese of Ballarat

1891-92- curate of Kaniva (Vic).

1893-07 -curate at St James' Cathedral

1894 – ordained priest

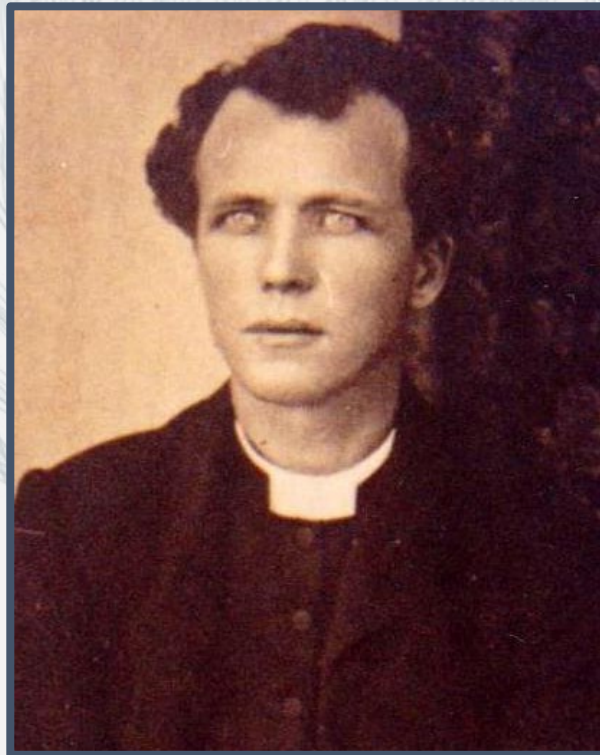

1897 incumbent at Herberton.

1898-1901 Rector of St. Margaret's Parish Croydon.

Curtis  
1898.

Feb 25<sup>th</sup>

Herbert William Curtis was duly received as Rector of Saint Margaret's Parish Croydon on Feb 25<sup>th</sup> 1898.

During his time in Croydon, the Church of England in North Queensland was facing major reorganization. The Diocese of North Queensland was too large for efficient administration under the conditions of the time, and a decision was made to excise its northern parts into a new Diocese to be known as Carpentaria. Gilbert WHITE was enthroned as first Bishop of the new diocese, with Rev. Curtis being present at the enthronement on 18 November 1900. Herbert took up his appointment as Rector of Christ Church, Cooktown and it seems, he became the Bishop's right hand man.

He then moved to NSW and continued his ministry in Cobargo, Albury and Wagga Wagga

Curtis

1894  
Dec 16<sup>th</sup>

Herbert William Curtis of Saint Boniface College, Warminster was ordained Priest on the 16<sup>th</sup> day of October 1894 by the Lord Bishop of the Diocese at an Ordination held in Saint James Cathedral, Townsville.

What if you had to miss school or work because you did not have proper menstrual supplies? How many days per year would you lose in education and wages simply because you have your period? It is called Period Poverty.

Days for Girls Australia (DfGA) is a registered not for profit charity and is a Country Affiliate with Days for Girls International (DfGI). 2.8 million DfG kits have been distributed in 150 countries. Over the last 10 years the Townsville Chapter has sent over 6,000 period kits around the world.

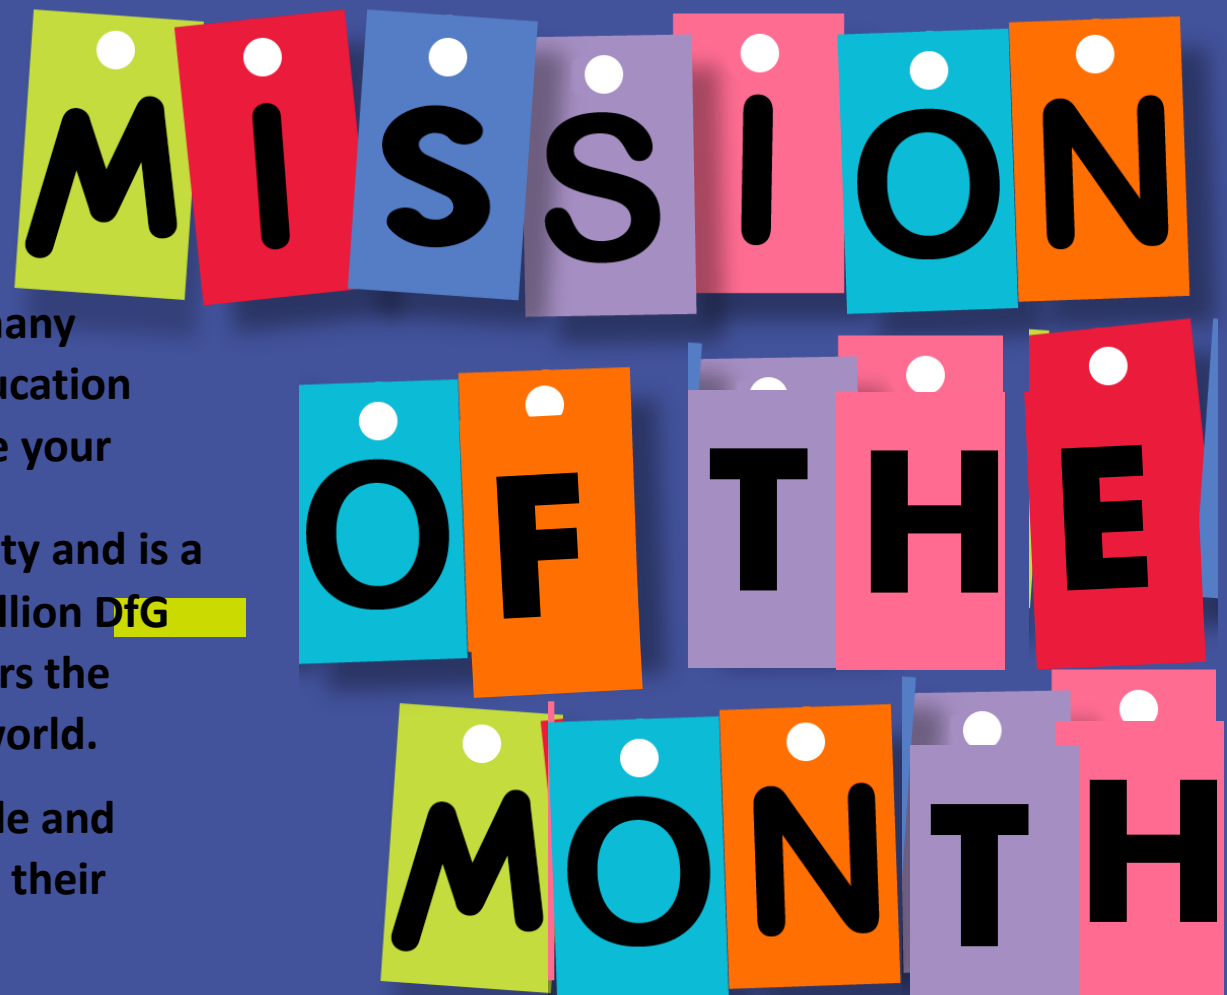

The period kits contain cost-effective, safe, sustainable, re-usable and contextually relevant products to help women and girls manage their periods and engage in livelihood activities.

The group makes the kits themselves for \$10 to \$12 each.

## Emergency Medical Information Book

Now that you have your Emergency Medical Information Book, take some time to record your personal and medical information so that it is ready for use in an emergency. To retain the accuracy, have the information checked with the help of your local Doctor, Carer, an Ambulance Officer or a close relative.

Please take your book with you, each time you visit a Doctor or any Clinic.

**Two Basic Things to Remember:**

- please print clearly
- keep information in the book up to date

**Patient Information**

This section is straightforward. Fill in all the information you can in the spaces provided. Your UR number (Medical Record) can be added if you go to hospital or copied from your outpatient book.

**Patient Medications**

This section records all the medication you are **currently** taking. Record the date that you started the medication (give an approximate date if you have been taking the medication for a long time), its name, the dose, and what time of the day you take it, in the space provided. **Example:**

DATE STARTED	MEDICATION NAME	DOSE	TAKEN			
			Morning	Midday	Evening	Before sleep
1984	Cough Mixture	25 mg			✓	
May 1990	Throat Lozenges		Taken as needed			

Please include any over-the-counter medications and natural remedies. When you have stopped taking a medication, please place a line through it on the list to indicate that it has been stopped.

August 29<sup>th</sup> 1959 .

HRH Princess Alexandra of Kent visited the Cathedral during construction and presented a Cross of Nails to be set into the stone.

The Cross is made of medieval nails collected from the bombed ruins of St Michael's Cathedral in Coventry. Similar nails have been sent to a number of churches throughout the world.

This Foundation Stone is for the completion of the final stage. The stone was blessed by the Bishop of Coventry on August 20<sup>th</sup> 1959

The stone was set by the Primate of Australia on June 12<sup>th</sup> 1960

## Foundation Stone

The “good” in “goodbye” doesn’t have anything to do with good. The word is a contraction of an expression dating back to medieval times: **God be with you.**

In those days, people didn’t have the means of communication we do today, and they often didn’t know when or if they would see that person again when they parted. They issued a sincere send-off, asking God to be with them until they met again.

Find 16 Books of the Bible hidden here:

I once made a remark about the hidden books of the bible. It was a lulu, kept people looking so hard for facts, and to others it was a revelation. Some were in a jam, especially since the names of the books were not capitalized. But the truth finally struck home to numbers of the readers. To others it was a real job. We want it to be a most fascinating few moments for you. Yes there are some really easy ones to spot. Others may require judges to help them. I will quickly admit it usually takes a minister to find one of them, and there will be loud lamentations when it is found. A little lady says she brews a cup of tea so she can concentrate better. See how well you can compete. Relax now, for there really are sixteen names of books of the bible in this paragraph.

A scenic photograph of a river flowing through a forest. The sun is low in the sky, creating a warm, golden glow and lens flare effects. The river is surrounded by large, smooth rocks. The trees are dense and green. On the left side of the image, there is a vertical bar with a colorful, multi-colored pattern.

Keep the faith.
