

Cleveland Singers Inc. – Community Project

“Carpe Diem – Seize the Day”

Dear patrons of the St. James Saturday Concert Series,

The next concert on Saturday, 23 March 2024, (4pm) will be organised by Cleveland Singers Inc., featuring community singers, local instrumentalists, and soloists.

The theme of the concert is the human awareness of the certainty of death: “Memento Mori – Remember that you will die”, or in happier terms and as a call to action because of our moribundity: “Carpe Diem – Seize the Day!”

The centrepieces of the program will be the cantata “Actus Tragicus” by Johann Sebastian Bach (BWV 106), and the Funeral Song by Johannes Brahms (op. 13), framed by smaller choral works, and interspersed with poetry.

Entry to the concerts of the Saturday Concert Series is free. However, organising projects like this one incur costs and Cleveland Singers Inc. would like to try a special fundraising campaign:

We kindly ask for donations towards the running of the community project. Our fundraising target is \$2,500. Any amount is highly appreciated. Donations of \$25 and above are eligible to reserve a seat in the concert. (NB: this is not a ticket sale, and the audience can still attend the concert free of charge, but we would like to show our appreciation for donations by reserving seats for our sponsors and donors.)

If you are able to support the project financially, please scan the QR code below or donate directly to Cleveland Singers Inc, Westpac, BSB 034-241, acc 505-064, Ref. Carpe Diem.

Thank you and kind regards,

The Committee of Cleveland Singers Inc.
